

## PRESS RELEASE

Taekwondo is one of the individual events having large no medals at stake and is one of the most popular and widely practiced combat sports in India. Due to Covid-19 pandemic and various other reasons tournaments have not been held for last couple of years and SAI has four National centers of Excellence in Taekwondo namely at Guwahati, Lucknow, Bangalore and Thiruvanthapuram.

There is requirement of preparing senior athletes for upcoming major tournaments in all categories as tournaments are being held in Kyorugi, Poomsae and Para Kyorugi in different categories thus emphasis is to be given to provide adequate training and exposure at appropriate levels to the talented athletes.

SAI has decided to conduct talent hunt for Senior level athletes for preparatory training camp in preparation for upcoming major events. Trials will be held on electronic scoring system, as per WT rules.
